Chicago's Leading Edge is proud to offer the CLE Mentor Program. This program is designed to help welcome new members to our group, as well as provide a valuable resource for our new members to get questions answered, establish networking contacts, and provide guidance for your particular area of interest. If interested, one of our mentors who currently works in your area of aviation interest will be contacting you to welcome you to Chicago's Leading Edge. If you are interested in participating in the mentor program, select "YES" and indicate your area of interest in aviation (Airline, ATC, Dispatch, etc...). YES/NO Interest?
